Payment option: If needed, tuition may be spread out in three payments according to the following schedule: Oct. 29, Nov. 22 and Dec. 7. Full payment is due before the December concert. In the event that there are more applicants than available positions, your check will be returned.

As part of band membership, each family (other than those on free/reduced lunch) will be responsible for providing water and a snack for one rehearsal. Once registration is completed, our snack coordinator will contact you regarding dates. There is also the option to make a donation to cover that one-time cost, and our coordinator will be happy to do the shopping and delivery!
